PROFILE TRANSFER / MIGRATION FOR TRANSFERRED OR PROMOTED TO OTHER UNIT

Whenever an employee gets transferred, the profile of that employee should be transferred from the present unit to the transferred unit.

This process is called Profile Transfer / Profile Migration. To achieve this both the present unit as well as the transferred units need to participate.

1. For Present Unit : Initiate The Transfer Request

From the left-side menu go to **TRANSFER->INITIATE TRANSFER**

On the Initiate Transfer page, you can find all the in-position employee lists of your unit with the initiate transfer button.
